

The first weekend in December, Canopy Road Cruisers had their annual Christmas Party at Lenton's. It was catered by Sonny's Bar B Q and we had a feast! We had our usual "Siamese gift giving" - package drawing by number game; gift giving at its best! More nuts than ever this year, and I am not talking about the people sitting around watching! Lenton and Leucretia had decorated their house really nice, the outside was lit up and you could see it from space. Someone spent a ton of time outside (Lenton, I think). Nate and Danielle drove over and back for the party in their car. A good time was had by all and you missed a good time if you couldn't make it.

Just wanted to say Leucretia & I were thrilled to have the Holiday Party at our home this year. It was uplifting for us to see so many of our GWRRA / The Canopy Road Cruisers friends come to our home. Sure wish everyone could have come, but understand the Holidays can be trying to get in everything we would like to Get in. Sure hope everyone who did make it had as good of time as we did!! Was also nice that Nate & Danielle were able to be with us! Sorry Jack had to be in the hospital, but so glad his Surgeries both were successful and he is recovering in the hospital. Our prayers go up for Carol and Jack.

We are very excited to see the Chapter coming together around Glen & Consuelo to carry the Chapter into 2015!!

I would encourage someone to step up and volunteer to be their Assistant CD's.

We are glad to stay on staff and be the Treasure.
